Please amend FIG. 5 as indicated on the ANNOTATED MARKED UP
DRAWING and on the REPLACEMENT SHEET.

Appl. No. 10/642,313

Amdt. Dated January 5, 2006

REMARKS

A Notice of Allowance has been issued in this application. The Examiner has required a change to the drawing figures to show the top end of light pin 192 to be flush with the upper surface of the polishing pad. Accordingly, FIG. 5 has been amended to show the top portion of light pin 192, the portion that is subsequently removed, in phantom. The specification has been amended to explain the change in FIG. 5 and to correct a typographical error. No new matter has been added by these amendments. The required changes having been made, it is believed that the application should now proceed to issue.

If for some reason Applicants have not paid a sufficient fee to prevent abandonment of this application, please consider this as authorization to charge Deposit Account No. 50-2091 for any fee which may be due.
